

The background is composed of several large, overlapping triangles in various colors: red, orange, yellow, teal, blue, and purple. The triangles are separated by thin white lines, creating a dynamic, abstract geometric pattern. The text "Hello World!" is centered in a white, sans-serif font, positioned over a light gray triangular area that serves as a backdrop for the text.

Hello World!

I so glad to see you

- Nothing else to say...
- I repeat I glad to see you
- Really!
